

UCAS 415002Y (Scientific Writing in Chemistry) **Instructor:** Rainer Glaser **School:** School of Chemistry and Chemical Engineering

Enrollment: 197 Evaluator: 170 Overall rating: **Excellent**

No.		Item	4.0	3.0	2.0	1.0	0.0	Overall rating	Grade Point Ave.
1	Teaching Attitudes	1) Rigorous manner, well-prepared contents, careful knowledge impartation	168	2				excellent	3.99
2		2) Sufficient grasp and understanding of the course	163	7				excellent	3.96
3		3) No adverse effects of suspended classes and adjustment on the lecture	166	4				excellent	3.98
4	Teaching Contents	1) Conformation to the syllabus	162	8				excellent	3.95
5		2) Proper emphases, details, and a good overview with sufficient detail	161	9				excellent	3.95
6		3) Introduction of frontier and hot issues in this discipline	161	9				excellent	3.95
7	Teaching Methods	1) Enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative	162	8				excellent	3.95
8		2) Attentive to the combination of knowledge impartation and skill training	166	4				excellent	3.98
9		3) Rational arrangement of homework or extracurricular reading	157	13				excellent	3.92
10	Teaching Results	1) Realization of teaching goal and demands and enhancement in students' learning capacity	161	9				excellent	3.95
11		2) Gains and improvement through this course	161	9				excellent	3.95
12	Comprehensive Evaluation		163	7				excellent	3.96

No.	Virtues and characteristics of this course
S01	The course is proceeding in English completely, which is of great help for improving the English level.
S02	The content highlights the key points while maintaining a good overview with sufficient detail. Through the course, I get more gains of knowledge. The content is beneficial for our future work.
S03	The course is taught carefully and elaborately. It is essential for the research in the future.
S04	The foreign teacher is humorous. Each knowledge point is elaborately explained. I have a good understanding of scientific writing. I hope I have an opportunity to communicate with the foreign teacher again.
S05	The teacher makes explanation seriously in course. The professor is very nice.
S06	This is my first time to listen to the course carried out in English thoroughly. Besides, the teaching materials are well- prepared.
S07	Excellent!
S08	It is clear and rich in content. The course is beneficial for our scientific writing in future.
S09	This enlightening course enhances the students' English level.
S10	The lecture of the humorous teacher is very interesting and exquisite.
S11	The captivating teacher makes the presentation vividly. The course contents are rich.
S12	The foreign teacher makes a comprehensive presentation vividly. The course content is very intriguing, and makes us think deeply.
S13	Through the five classes, the teacher endows us with some note relevant to scientific writing and paper submission, making me get more gains of knowledge.
S14	The teacher makes the presentation in a humorous manner, the contents are useful and practicable. There is a relaxed atmosphere in the classroom.
S15	The course proceeds in English completely, which offers us a chance to train our English ability. At the same time, the course content is abundant.
S16	The teacher talks humorously. It is very hard for lecturer to make lots of presentation in short time, however, the professor is still in an enthusiastic and energetic state.
S17	Very good. The professor is scrupulous with the course and makes explanation meticulously. The teacher, full of passion, deeply elaborates the course. In a word, the lecturer is very nice.
S18	It's clear in teaching and the teacher makes explanation in detail. This course is of great help to broaden our horizon and knowledge.
S19	The course content is ample and practical. The teacher lectures in a humorous manner.
S20	The learned teacher talks very humorously. The course is capable of expanding our horizon.
S21	The course content is rich and useful. Being scrupulous with teaching, Rainer Glaser has the standard English pronunciation. It is beneficial for us to improve our listening ability in English and spoken English. What's more, the teacher also provides us with a number of learning materials, as well as learning websites, so that

	everyone can have more space for improvement.
S22	This course gives us more understanding of the process and formatting relevant to paper publishing, which is essential for our research in future.
S23	The course carried out in English thoroughly, enhancing the listening ability in English. At the same time, I also learn some basic knowledge and skills concerning scientific writing.
S24	Very good!
S25	The presentation is active and vivid. The teacher uses the fascinating language to make us attentive to the lecture. Excellent!
S26	The teacher lectures us lots of basic knowledge and skills relating to scientific writing.
S27	The course is proceeding clearly and vividly, which is beneficial for our scientific writing in future.
S28	The presentation is very informative and exquisite. I learn a variety of writing skills.
S29	The course is taught in English completely. The teacher lectures us some notes on scientific writing.
S30	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative. The pronunciation of the foreign teacher is very standard.
S31	The teacher explains some professional knowledge and the way on paper submission, which is essential for our research in future.
S32	The lecture is well prepared. The teacher makes the presentation carefully and responsibly. The explanation is meticulous. Moreover, the teacher possesses the sufficient grasp and understanding of the course.
S33	The foreign teacher has the sufficient grasp and understanding of course. The content highlights the key points while maintaining a good overview with sufficient detail.
S34	The presentation is made very well. The foreign teacher is popular with the students. I hope the graduate school can take consideration to open more lessons like this.
S35	The course is very novel [creative] and the teacher makes the presentation clearly. He makes sure that the course content is arranged according to different students' interests and presents the whole knowledge in a unique teaching manner.
S36	The foreign teacher possesses the sufficient grasp and understanding of the course. Suspended classes and adjustment on the lecture don't have bad influence on normal teaching.
S37	The websites recommended by the foreign teacher is very good. I can make the best of them to teach myself. What's more, it is a challenge for me to listen to the course carried out in English thoroughly. It is very fresh and helpful for our writing in future.
S38	The course is proceeding with rigorous manner and has good communication with the students, so that the students learn a lot. Taking into account the language difference, I hope the teacher talks as slowly as possible.
S39	The foreign teacher lectures elaborately. No suggestion is needed.
S40	The teacher is scrupulous with the course which is well prepared and presented carefully. Moreover, the professor possesses the sufficient grasp and understanding of

	the course.
S41	The teacher endows us with a large stock of knowledge with regard to scientific writing. I gained much knowledge.
S42	The course proceeds in a rigorous manner, the contents are well-prepared, the presentation is serious. More importantly, the teacher wants to listen to our advice on teaching patiently, and actively improves the teaching method and content.
S43	The course is undertaken by the foreign teacher, being capable of improving spoken English and writing ability.
S44	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative. The course content conforms to the syllabus.
S45	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative, focusing on the combination of knowledge impartation and skill training.
S46	The presentation is explained meticulously, the homework is arranged rationally. Besides, the teacher focuses on enlightening students' thinking.
S47	The pronunciation of the foreign teacher is standard. I can understand what the professor wants to express. He makes the presentation in a humorous manner.
S48	The contents highlight the key points while maintaining a good overview with sufficient detail, enhancing the students' knowledge.
S49	Very Good. Being captivating, the foreign teacher finishes the whole presentations during the five day. The lessons are concentrated rationally.
S50	It is of great help to improve the ability on scientific writing. At the same time, it also trains students' listening comprehension.
S51	The foreign teacher is very nice and he can create positive class climate.
S52	Being responsible for teaching, the professor pursues his presentation rigorously. He makes explanation patiently and creates an active atmosphere in course.
S53
S54	It's clear in concepts and highlights the key points; the course contents are taught according to varying levels of different students, thus benefiting the teacher and the students as well; the course pays great attention to the cultivation of students' ability and the assignment is rationally arranged.
S55	No problem.
S56	The professor explains every issue in detail by the aid of example. The contents maintain a good overview with sufficient detail.
S57	The foreign teacher makes the presentation in jocular language. The course is wide in language coverage.
S58	The teacher has the sufficient grasp and understanding of the course. It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S59	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S60	From the unique perspective, the foreign teacher makes the presentation humorously and elaborately. Besides, the course content is also easy to understand.
S61	The spoken English of the foreign teacher is excellent! The course proceeds in a humorous manner and is of broad knowledge coverage..

S62	This course makes me strengthen the understanding and practice of the scientific writing in English.
S63	The teacher is very dedicated to the lecture, the presentation is arranged properly and distinctly. The contents highlight the emphases while a good overview with sufficient detail is maintained. Through the course, I get more gains and improvements.
S64	The foreign teacher provides us with both the frontier and basic knowledge. In a word, the course is assigned reasonably.
S65	The lessons are concentrated so that it is easy for us to consolidate the memory on the knowledge. Moreover, the course content is of broad coverage, which can enlighten our thinking.
S66	The pronunciation of the amicable teacher is very standard, the course content is helpful and enlightening to our research in future.
S67	Mr. Glaser humorously tells us about the details which expand our horizon. More importantly, there is lots of knowledge in the course. Therefore, I have a good understanding of future research.
S68	The course has distinctive feature. The teacher focuses on a good overview with sufficient detail. I get improvement and gains of knowledge through the course.
S69	It's logical, humorous. At begin, the teacher tells us some basic knowledge concerning scientific writing. Then, he gradually guides the students to think and lectures us complicated skills deeply.
S70	The contents are helpful and enlightening to enhanced understanding and practice of scientific writing.
S71	The course gives us an opportunity to train the listening ability in English. At the same time, I also learn some knowledge relevant to scientific writing through the course.
S72	The course content is reasonable, the teacher uses the proper lecture speed to present the skills relating to scientific writing. Besides, there is a good overview with sufficient detail.
S73	There is more gains and enhancement through the course. In addition, the teacher also introduces the frontier and hot issues with regard to scientific writing.
S74	The teacher is scrupulous with the course which is well prepared and presented carefully. What's more, he also has the sufficient grasp and understanding of the course.
S75	The course content is very ample and it is clear in teaching. In a word, this course is beneficial for our research in future. In addition, the foreign teacher is very nice.
S76	The course is proceeding in English thoroughly. We not only learn lots of useful skills, but also improve the English level.
S77	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S78	Combined with a plenty of example, the foreign teacher makes explanation clearly, which makes me learn a lot.
S79	This teacher makes the presentation in English completely, which is a challenge for us. Excellent!
S80	The teacher is typical of the responsibility and carefulness. The course is wide in knowledge coverage.
S81	The presentation is entertaining, which can increase students' initiative to listen to the lecture.

S82	The teacher can explain some issue which we may meet in the process of scientific writing in future. Besides, he also points out to us what we should pay attention to now.
S83	The teacher is very dedicated to the course and makes the presentation in a humorous manner, which is helpful to mobilize the class atmosphere. I get more improvement and gains of knowledge.
S84	The course helps us to enhance the writing ability in English, which lays foundation for our future research.
S85	The professor is very passionate and the course content is very unique.
S86	Being logical, the professor prepares for the lecture rationally. More importantly, the course is beneficial for Chinese students --- non-native English speakers --- to write scientific paper.
S87	The foreign teacher explains in detail. One gains knowledge through the course.
S88	I learn lots of knowledge concerning scientific writing, although the lessons are concentrated so much.
S89	The teacher provides us with comprehensive note on scientific writing.
S90	The assignment is arranged rationally. The teacher makes the presentation elaborately in order to make the course content easily understandable.
S91	The foreign teacher explains issues clearly so as to make us easily understand what he wants to express. In a word, the course realizes the teaching goal.
S92	The course proceeds in a rigorous manner, the contents are well-prepared, the presentation is serious, lively and invigorating. The course is focused on the combination of knowledge impartation and skill training.
S93	The perspective of the knowledge is very broad. The teacher makes the presentation vividly. In a word, this course is capable of making us learn more useful information.
S94	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S95	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative. The course is focused on the combination of knowledge impartation and skill training.
S96	The foreign teacher is very nice. Being responsible for teaching, the professor often makes the abstract knowledge become visual, which is beneficial for our understanding.
S97	The foreign teacher is very nice. The course is of great help to enhance the English level.
S98	The course has unique feature. There is a good overview with sufficient detail. The course content is reasonable.
S99	The professor has the interesting teaching style. There is a harmonious atmosphere in course.
S100	The course is focused on the combination of knowledge impartation and skill training.
S101	This course makes me have a systematic knowledge of scientific writing in English and enhances our writing skills in English.

S102	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S103	The lecture is presented in jocular language. He is conscientious with teaching. Very Good!
S104	Being full of passion, the teacher lectures clearly and interestingly. This course helps us to improve the listening ability in English.
S105	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S106	The assignment and extracurricular reading are arranged reasonably. Gains and improvements are also resulted from attending the course.
S107	The lecturer makes the presentation humorously and has a positive faculty-student communication with the students.
S108	The presentation is made in jocular language, and the course content is very practical, which is beneficial for our study in future.
S109	The teacher makes the presentation rigorously and highlights the key points. The course content is very inspiring.
S110	The teacher explains every issue in detail and gives us a large stock of knowledge relating to scientific writing in English.
S111	The course content is very useful and practical for our research in future. The teacher combines theory with practice, and vividly shows us how to write the scientific paper.
S112	Gains and enhancement are resulted from attending this course. The course pays attention to the combination of knowledge impartation and skill training.
S113	The teacher tells us some notes on scientific writing in detail. I hope the graduate school can hold this course in other semester.
S114	The issues are explained in detail. Taking into account the course carried out in English, the foreign teacher uses vivid language to make the content easily understandable.
S115	The pronunciation of the teacher is very standard and the teaching style is very humorous. Besides, having deep academic knowledge, the professor is experienced in scientific writing.
S116	Excellent!
S117	Professor Rainer lectures seriously and humorously. He is very popular with the whole class.
S118	Being captivating, the foreign teacher makes the most of the flexible teaching methods to make the course content easily understandable. What's more, through the assignment, it is enlightening to our study in future.
S119	The course is very good. The foreign teacher makes the presentation in jocular language. Besides, there is an active atmosphere in classroom, the course content is really practical.
S120	The teacher's attitude is serious, the lecture is well prepared, the presentation is explained meticulously. The teacher possesses the sufficient grasp and understanding of the course.
S121	This is a very interesting course. It helps me to have a systematic understanding on the scientific writing.
S122	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.

S123	The lecture is well prepared. The teacher makes the presentation carefully and responsibly. The teacher has the sufficient grasp and understanding of the course.
S124	The foreign teacher lectures elaborately and creates an enthusiastic atmosphere in class.
S125	The course covers a broad range of knowledge and expands our horizon, having distinctive feature. The teacher pays attention to the practice and makes the complicated knowledge easily understandable.
S126	The teacher lectures us the most essential knowledge in the short time, which is useful for us to lay a foundation for writing paper in future.
S127	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S128	The professor focuses on the approach of imparting knowledge. This is an instructive course where the teacher introduces the frontier and hot issue. In a word, it is beneficial for our study in future.
S129	The foreign teacher possesses the sufficient grasp and understanding of the course.
S130	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S131	The course reaches the teaching goals and demands. The students improve their understanding of knowledge.
S132	Having clear logic, the teacher makes a wonderful presentation and pays attention to a good overview with sufficient detail. Besides, the teacher draws attention from the students and stimulates students' interests.
S133	The lecture is presented in a witty manner. The course content is very useful and practical. Moreover, it is essential for our scientific writing in future.
S134	The contents highlight the key points while maintaining a good overview with sufficient detail
S135	Gains and enhancement are also resulted from attending this course.
S136	Being captivating and easy-going, the teacher lectures carefully and cares for the students. I like Professor Glaser.
S137	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S138	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S139	The course is taught meticulously and vividly. The professor makes the comprehensive presentation for us. Besides, he always encourages the students to think and participate in the class.
S140	The contents highlight the key points while maintaining a good overview with sufficient detail.
S141	Very Good. Being practical, the course content is consistent with my major. I like it.
S142	The teacher has clear logic and the course content is easy to understand. Although my major is biology, I can follow it.
S143	The professor teaches well and the course content is practical. I can understand the most of knowledge which he tells us.
S144	I have a good knowledge on paper formatting, and writing specifications and how to submit paper.

S145	The course is proceeding with rigorous manner and there is an active atmosphere in the classroom. What's more, the professor also highlights the key points in the process of his teaching.
S146	The professor gives us detailed introduction on writing notes, chart specification and how to write scientific paper.
S147	The teacher's attitude is serious, the lecture is well prepared, the presentation is explained meticulously. The course focuses on the combination of knowledge impartation and skill training.
S148	The teacher makes the presentation in a humorous manner. The course is taught in detail. I learn a lot.
S149	The teacher pursues his studies rigorously. The lecture is well prepared. The course content is inspiring. Moreover, the teacher enlightens students to think deeply.
S150	The professor is very experienced in teaching and makes the presentation in a witty manner. In a word, this is an instructive course.
S151	The course is focused on the combination of knowledge impartation and skill training. The teacher makes the presentation in an enthusiastic manner.
S152	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative.
S153	The course content is ample so that I have learned a lot of professional vocabulary and have a more profound understanding of living abroad.
S154	I like this course. The professor teaches very well.
S155	The course proceeds in a rigorous manner, the contents are well-prepared, the presentation is serious, lively and invigorating. Gains and enhancement are also resulted from attending this course.
S156	The presentation is wide in knowledge coverage, which helps a lot in improving the listening ability in professional English.
S157	The teacher is scrupulous with study, he teaches by words and cases and take lessons on time.
S158	The teacher makes the presentation meticulously. I like professor Rainer very much.
S159	Gains and enhancement are also resulted from attending this course.
S160	The presentation is wide in knowledge coverage. The professor makes the most of flexible teaching method to make the complicated knowledge easily understandable. In a word, I have learned some practical knowledge.
S161	The course has distinctive feature. The professor combines theory with practice to creates positive class climate.
S162	The course is capable of training the listening ability in English. I have learned some knowledge relating to scientific writing.
S163	The professor teaches us the writing specification on scientific paper. By the aid of example he explains the texts and graphic in detail. In a word, the course content is assigned rationally.
S164	The teacher lectures vividly. It's a challenge for me to listen to the course taught in English thoroughly.
S165	The professor teaches elaborately and seriously. The course content is very useful and practical.
S166	The contents highlight the emphases while a good overview with sufficient detail is maintained. I get more gains of knowledge through the course.

S167	It's enlightening, vivid in speech, using individualized learning/teaching methods, inspiring in students' initiative. The assignment and extracurricular reading are rational.
S168	Excellent!
S169	The teacher makes the presentation in detail and the concept is very clear. The teaching style is humorous. I like it.
S170	hhhhhhhhhhhhhhhhhhhhhhhhhhhhhh

No.	Improvement suggestions
S05	This course is very excellent.
S06	No.
S11	Nothing for the time being.
S12	The lessons are short and concentrated so that there is not enough time to preview and review the relevant content.
S15	No.
S19	The course is proceeding in English thoroughly so that I don't follow sometimes.
S23	The foreign teacher talks too fast.
S24	Not bad.
S28	There are too many students listening to the lecture, which has bad effect on the teaching quality.
S30	No.
S36	No.
S37	No.
S38	Nothing for the time being.
S39	No.
S40	No.
S44	This course achieves the purpose of teaching in teaching effectiveness and requirements, however, it is not enough to help students to enhance their knowledge and ability.
S45	No.

S48	There is no rational arrangement of homework or extracurricular reading.
S49	No.
S50	The course content is not explained in detail.
S52	No.
S55	No problem.
S56	No.
S57	No.
S59	No.
S60	No.
S63	No.
S65	No.
S66	No.
S74	No.
S76	No.
S77	No.
S78	No.
S82	No.
S83	The teacher speaks too much. And the PPT show is not clear and concise enough.
S84	No.
S85	The professor teaches very passionately, the course content is rather unique as well.
S87	The number of students is too high.
S93	We can't adapt to the course carried out in English completely.
S95	No.
S99	The course time is too short, the teacher talks little about his private life. In my opinion, I argue that the professor can tell us more his private life, making us realize some exotic culture. In a word, the course content is not limited by the traditional teaching method.

S102	The teacher educates us a large stock of knowledge so that it is difficult to illustrate every issue deeply. Besides, there are few concrete examples given us in class.
S104	The teaching time is too long so that it is easy for us to get distracted in class.
S107	No obvious shortcoming. The limited course time makes us feel that the foreign teacher still has more knowledge to want to instruct us, but it is a pity that there is no enough time.
S116	Excellent!
S129	The amount of homework can be larger and the course content can be richer.
S139	No.
S140	No.
S142	The teacher speaks a little fast.
S147	No.
S150	Sometimes I can't follow and it is difficult for us to communicate with the foreign teacher on account of my poor English.
S153	Some content is not understood. After all, the course is carried out in English thoroughly.
S158	Due to my limited listening comprehension, I can't understand what the teacher says sometimes. Therefore, I hope the professor can speak as slowly as possible.
S162	The course time is too short.
S164	No.
S167	No.
S168	Excellent!
S169	The number of the students is too large in classroom, which influences the teaching efficiency. As a result, we can't understand what the professor says better.
S170	hhhhhhhhhhhhhhhhhh

No.	Comments on the evaluated items
S28	Teacher's knowledge accumulation, teaching attitude and teaching method; The foreign teacher is very knowledgeable, lectures earnestly and reasonably.
S30	No.
S33	Teaching attitude, content, method and teaching effectiveness.

S38	It's enough to evaluate the course from the above aspects.
S40	Whether the foreign teacher can make the most students understand what he wants to express.
S45	Teaching attitude, content, effectiveness and teaching method.
S49	No.
S50	The students' reaction.
S55	No problem.
S59	The atmosphere in class.
S60	Whether the course content can arouse the students' interest and improve the students' comprehensive ability.
S65	The situation on students' finishing their homework.
S78	It's enough to evaluate the course from the above aspects.
S82	Whether the students are able to acquire the sufficient knowledge.
S83	Attendance rate, the teacher's integrated evaluation (attitude, effects, etc), the situation on e-mail exchanges and the assessment on the other aspects. Specific indicators: attendance, satisfactory percentage and the number of messages.
S84	Whether the course can enhance our scientific writing skills.
S87	Whether the students can understand what the teacher says and whether students can get abundant gains and harvests.
S95	The extent of gains and improvements through the course.
S99	Students' writing skills in English, for example, the teacher can ask us to schedule a paper in class.
S102	It is the most essential for the course to make every student feel satisfied.
S139	Teaching content and teaching method.
S142	Nothing.
S153	The interaction with the students.
S167	No.
S168	Excellent!
S170	hhhhhhhhhhhhhh
